ASSIGNMENT OF BENEFITS FORM

All professional services rendered are charged to the patient and are due at the time of service, unless insurance coverage is verified and La Petite Pediatric Clinic, LLC, is a participating provider. Necessary forms will be completed to file for insurance carrier payments.

Assignment of Benefits

I hereby assign all medical benefits, to include major medical benefits to which I am entitled. I hereby authorize and direct my insurance carrier(s), including private insurance and any other health/medical plan, to issue payment check(s) directly to La Petite Pediatric Clinic, LLC, for medical services rendered to myself and/or my dependents regardless of my insurance benefits, if any. I understand that I am responsible for any amount not covered by insurance.

Authorization to Release Information

I hereby authorize La Petite Pediatric Clinic, LLC, to: (1) release any information necessary to insurance carriers regarding myself and/or my dependent's illness and treatments; (2) process insurance claims generated in the course of examination or treatment; and (3) allow a photocopy of my signature to be used to process insurance claims. This order will remain in effect until revoked by me in writing.

I have requested medical services from La Petite Pediatric Clinic, LLC, on behalf of myself and/or my dependents, and understand that by making this request, I become fully financially responsible for any and all charges incurred in the course of the treatment authorized.

I further understand that fees are due and payable on the date that services are rendered and agree to pay all such charges (copay, coinsurance and/or deductible) incurred in full immediately upon presentation of the appropriate statement. A photocopy of this assignment is to be considered as valid as the original.

Financial Policy

Insurance:

As a courtesy, our office will file the forms necessary so that you receive the full benefits of your medical coverage. We ask that you familiar with your insurance policy to be fully aware of any limitations of the benefits provided. If your insurance company denies coverage, or we otherwise do not receive payment 60 days from filing your claim, the amount will then become due and payable by you. Insurance is a contract between you and your insurance company and/or your employer and your insurance company. Although our office will make a good faith effort to assist you in obtaining your benefits, it's at the discretion of your insurance company to pay for the services we have provided to you.

Copayments and Deductibles:

A copayment and/or deductible or coinsurance may be required at the time of service depending on your insurance policy. Payments are accepted in the form of cash, by check or by credit card with a courtesy fee of 4%. We also accept Health Savings Account (HSA) cards for payment.

Copayments are a contractual requirement from the insurance company and cannot be written off by our office. If you have a High Deductible Health Plan (HDHP) and have not yet paid your deductible in full, it is likely that any non-preventive services will require payment at the time those services are rendered. Coinsurance may apply even after meeting your deductible. Please see "Health Insurance 101" for a better explanation of these terms.

Patients Without Insurance Coverage/Non-covered expenses:

We are happy to work with families that prefer to pay directly for services or do not have insurance. For such patients, a time of service discount will be applied to the bill if settled in full on the day of service. This discount only applies the day of service. The same discount will be applied to any non-covered charges for patients with insurance, if paid at the time of service. This discount cannot be applied toward the "patient responsibility" portion of covered charges, as those charges are already discounted through the contract we maintain with your insurer.

Financial Arrangements:

We provide a variety of payment options. For your convenience, we accept all major credit cards and checks. Credit card payments are subject to an additional 4% convenience fee and returned checks will be subject to a \$35 returned check fee. If the check is returned for any reason, you will have 7 days to contact our office and arrange another form of payment.

Sick Complaints at a Wellness visit:

Insurance covers preventive care (wellness visits) as a bundled service. If you present to a scheduled wellness visit and your child is sick, or you'd like to address a chronic issue, our office is obligated to file a separate visit code with your insurance plan — just as we would if you brought your child in for that complaint on any other day. As such, your regular copay, deductible, and/or co-insurance amounts will apply, and payment will be expected at the time of service.

Appointments/Cancellations:

We gladly reserve appointment times for you and appreciate that you have chosen La Petite Pediatric Clinic for your care. As a courtesy, we will remind you of your appointment by calling and/or sending a text or email to remind you of your scheduled date and time. If we cannot speak to you directly, we will leave a message for you. However, in the event your mailbox is full, or your line is busy, our efforts to contact you may be unsuccessful. An appointment is a contract of time reserved for your treatment. We respect our patient's valuable time and we request the same courtesy from our patients. Please extend this courtesy should you need to cancel and/or reschedule your appointment.

We reserve the right to charge \$25 for regular appointments cancelled without advance notice of at least 1 business day. Appointments that are scheduled for the same day and then cancelled, as well as no-shows for an appointment, may be assessed a \$50 charge. After three no-shows or same-day cancellations, your family may be dismissed from the practice.

Patient/Parent/Guardian Responsibility:

- I understand that whomever accompanies my child to their appointment has authorization to consent to medical care as needed, *and is responsible for payment of medical services.*
- I acknowledge my responsibility for payment of all services provided by La Petite Pediatric Clinic in accordance with the practice's fees and terms.
- In the cases where a parenting plan exists, the parent that brings the child in for the appointment is considered the guarantor and is responsible for payment.

Late Fees:

I understand that my account becomes delinquent if not paid within 30 days after billing and the unpaid balance becomes subject to a monthly finance charge of 1.5% (18% APR) or \$35, whichever is greater. Any further delinquency will warrant the balance and any administrative fees being assigned to a collection agency.

Assignment and Release:

I authorize payment to be made directly to La Petite Pediatric Clinic by my insurance company, and I accept financial responsibility for all services not covered by my insurance. I authorize release of any medical care information requested by my insurance company. My signature below acknowledges that I have read and understand this information.

Name (please print): _____ Date: _____

Patient's Name and Birth Date:

Waiver for Non-Covered Charges

We pride ourselves on providing only the **highest quality care** for your child and do this by following many of the American Academy of Pediatrics' clinical guidelines and other trusted sources for evidenced-based clinical outcome information.

However, insurers rarely keep pace with guidelines or want to cover services related to meeting these clinical recommendations. In fact, insurance company rules and policies change all the time. As prompt and appropriate treatment of your child is of primary importance to us, we ask that you sign a 'waiver' giving us permission to perform screenings, tests and non-covered services as we, your trusted providers of care, deem necessary.

Following is a list of the most frequently provided services for which we request a signed waiver and that you can use to determine coverage with your insurer.

Vision Screening

Snellen Testing. This is a simple screening performed with the use of a Snellen eye chart used to measure visual acuity on older children.

PlusOptix Vision Screener. This is an important test for early detection of eye and vision problems in infants and young children. Amblyopia (or 'lazy eye') occurs when the brain does not receive proper images from the eye. If it is not diagnosed in early childhood, there may be a permanent loss of vision in the affected eye.

As we consider these to be important tests for your child, and will routinely perform them at annual well visits, if your insurer does not cover the charge, we will significantly discount the amount. For Snellen tests the discounted price is only \$10.00, and for PlusOptix tests the discounted price is \$15.00.

Hearing Screening: Otoacoustic Emissions Testing (or OAE)

This is an important hearing test and can be used on newborns through adulthood. It does not require a soundproof room or the ability of the child to understand instructions or respond to sounds, which makes it a much more accurate screening tool for picking up on hearing issues at any age.

Not only do we believe that hearing screens should be performed every year, but testing is required for most preschools, public and private schools, and for some sports. As we consider this to be an important test for your child, and will routinely perform it at annual well visits, if your insurer does not cover the charge, we will significantly discount the amount to \$10.00 per test.

200 Beaulieu Drive
Building 7
Lafayette, LA 70508

Phone 337.366.8616
Fax 337.366.8133
Website www.lapetitepeds.com

Developmental Testing

Developmental screening (including standard pediatric developmental screening done at well-visits, Connors forms, Edinburgh post-partum depression screening, M-CHAT tool to detect autism, and more) are very important in the assessment of any development delays or potential problems. As we consider these to be important tests for your child, and will routinely perform them at annual well visits, if your insurer does not cover the charge, we will significantly discount the amount to \$10.00 per test. Please note that at some visits, there may be more than one screening tool used.

In-office lab tests

Often, patients want to know as soon as possible if their child has the flu, strep, etc. We can effectively and efficiently determine that by performing in-office testing. Many insurers do not pay for in-office testing because they have contracts with external labs to provide these services. However, sending tests out to external labs results in waiting days for results that we can provide to you much more quickly (in some cases, within minutes or overnight). We believe it is important to treat your child as quickly as possible, and therefore offer these services in-office.

In-office labs and fees include:

In Office Test	Fee
Rapid RSV	\$25.00
Rapid Flu	\$25.00
Rapid Strep	\$15.00
Urinalysis	\$10.00
Pregnancy Test	\$10.00
Strep PCR	\$40.00
Flu PCR	\$60.00
RSV PCR	\$50.00
Lead	\$10.00
Capillary blood glucose	\$10.00

Sports Physicals

When done at the same time as a well-child check-up, sports forms are completed free of charge. We will also complete them free of charge if your child has been seen for a well-child check in the past six months. There will be a \$10 fee for forms needed in < 3 business days.

Many of these forms require a vision test, so if it was not performed at the time of the check-up your child will be asked to return for a nurse visit. There will be a \$15 fee for performing the visual acuity test.

200 Beaulieu Drive
Building 7
Lafayette, LA 70508

Phone 337.366.8616
Fax 337.366.8133
Website www.lapetitepedcs.com

If your child has never had a check-up with our practice, and/or their last check-up was greater than 6 months ago, we are happy to schedule a visit for a sports clearance. This is a non-covered visit and will incur a \$40 charge.

Fluoride Varnish

Both the American Academy of Pediatrics and the American Dental Association agree that fluoride varnishes should be applied at every well-child visit beginning from the first tooth eruption until a child begins seeing the dentist regularly. We are happy to offer this service to help protect your child's teeth from cavities. If your insurance does not cover it, we will discount this service substantially and offer it for \$10 per application.

Please sign the following waiver, indicating that you are aware that these charges may apply in the event that your insurance company does not cover these services.

Waiver Form Acknowledgement of Receipt

I acknowledge receipt of the Waiver List and have been informed of, and hereby attest that I fully understand my financial responsibility for any balance resulting from non-covered services, or services not covered in-office, by my insurer. I agree to pay the amount of the charge as stated herein, in the event that my insurer does pay for these services.
